Surveyed in 1819 by

John M. Donald

Dep. Surveyor.

Subdivision. Var. 6th 00th E.

I have found in the commencement of the survey of this Township, in intersecting the East Boundary, two lines. The first I intersected on my first Random at ^{St. 3 1/2} 78.50, the numbers cut out, and ^{St. 3 1/2} 4.10 farther I intersected a line with posts and numbers, supposed to be the true line.

In the same manner I found the Township West of this.

The first mile from the beginning corner E. to the SE. corner of the Township I measured and found its length to be 1.45 more than a mile, the mile West was 1.58 measured by Robeson
